

## COLLEGE CREDITS

DEOMI, in partnership with the [American Council on Education \(ACE\)](#), awards college credit to most occupational training courses.

Below are the DEOMI courses ACE has evaluated for credit recommendations.

Recommendations of credit are maximum figures. The amount of credit actually accepted for transfer depends upon the applicant's future academic goals and the admitting institution's transfer credit policy. For detailed credit information, visit ACE at the above link, change the Service Drop Down to "Dept of Defense", then type "Equal Opportunity or Equal Employment Opportunity" into the Keywords field.
